

Community Oriented Research Project

Reports

1984-2018

Research Projects	Year	Group
(1)* Anthropometric Measurements of First – Grade Primary School Children of Sitra. Bahrain المقاييس	3 84/85	Bahrain Girls
(2)* Hypertension. قياس ضغط الدم	3 84/85	Bahrain Boys
(3)* The Health Status of the Family as seen in Bahrain & Saudi.	3 84/85	Bahrain/ Saudi
(4)* Women’s Knowledge about Breast Cancer and their Attitude toward Practice of Breast Self-Examination in AlNuzha Area of Kuwait. سرطان الثدي	3 84/85	Kuwait Girls
(5)* A Study to Determine the Relationship between The Prenatal Care and the Outcome of Pregnancy in Khoula Hospital in Oman. انخفاض وزن الاطفال لدى ولادتهم	3 84/85	Oman Boys
(6)* A Study about Immunization Coverage in Bahrain. التطعيم / التحصين	3 84/85	Bahrain Girls
(7)* Beliefs and Practice of Folk Medicine during Puerperium and Postnatal Periods among UAE.	3 84/85	UAE Girls
(8)* A Study about the Family in Bahrain.	3 84/85	Bahrain Girls
(9)* The Demographic Study in Nzwa.	3 84/85	Oman Girls
(10)* Anthropometric Measurements of First – Grade Primary School Children of Sitra. Bahrain الجفاف	3 85/86	Bahrain Girls

(11)* Breast Feeding as Compared to Bottles Feeding and the Normal-Growth of the Children.	3 85/86	Bahrain Girls
(12)* Ministry of Health Prev. Med. Dept. Abu-Dubai.	3 85/86	UAE
(13)* Effect of Health Education in School on the Knowledge Of Students in Primary Health Care.	3 85/86	Qatar
(14)* Workshop on Community Health Study.	3 85/86	Bahrain Group (A)
(15)* Community Medicine Assignment.	3 85/86	Bahrain Group (B)
(16)* بحث مقدم من طلبة عمان – العلاج بالكي في عمان .	4 85/86	Oman
(17)* Brucellosis in North Jahra (Kuwait). A Study on the Human Behavior – Habits and knowledge in Relation To Infection.	4 84/85	Kuwait Girls
(18)* A Protocol about a study of Immunization Coverage in Khalifa Town.	4 85/86	Qatar Girls
(19)* A Comprehensive Statistical Study on Health & Socio- Economic Situation in North Khalifa Town-Doha.	3 85/86	Qatar

Research Projects Year Group

(20)* Adolescent Hypertension a Case Control Study among Male Students in Bahrain.	5 86/87	Bahrain Boys
(21)* A Study on the Relationship between the Antenatal Care and the outcome of Pregnancy in Capital Area in Sultante of Oman.	3 86/87	Oman
(22)* Prevalence of Hepatitis B Serological Markers among Pregnant Women Attending Health Centres in Bahrain.	3 86/87	Bahrain Girls
(23)* Demographically in East Riffa, Bahrain.	3 86/87	Bahrain Boys
(24)* A Cross-Sectional Survey of the Nutritional Status and Feeding Practice among Children <2 years of Age Living in Block 808. Issa Town.	4 86/87	Bahrain Girls
(25)* A Study on Human Social Behavior of Habits Related To “Brucellosis” in North Jahra..	5 86/87	Kuwait Girls
(26)* Diarrhea among Children (Below 2 years) in Kuwait A Kap Study of Mothers.	4 86/87	Kuwait Girls
(27)* Handicap Children in Qatar.	5 86/87	Qatar Girls

<u>Research Projects</u>	<u>Year</u>	<u>Group</u>
(28)* Demographic Study in Sanabis Village.	3 86/87	Bahrain
(29)* Diabetes Mellitus in Pregnancy a Case Control Study New Dubai Hospital, UAE.	3 87/88	UAE Girls
(30)* A study about knowledge and Attitude about Blood And Blood Donation in A'Ali, Bahrain.	3 87/88	Bahrain
(31)* Diabetes Mellitus in Oman.	3 87/88	Oman
(32)* Socio-Demographic & Health Characteristics of AlHamrya, UAE.	3 87/88	UAE
(33)* Demographic Study of AlHelal Area.	3 87/88	Qatar Girls
(34)* Demographic Study of Rashdiah Area-Dubai.	3 87/88	UAE Group A
(35)* Study in Juffair, UmAlHassum & AlGhuraifa.	3 88/89	Bahrain
(36)* Demographic Study in Sh.Sabah AlSalem HC. <i>Essam Darwish</i>	3 88/89	Kuwait

Research Projects	Year	Group
(37)* Common Diseases in Health Centre AlNaim HC. <i>Adel A.Nabi Asghar</i>	3 88/89	Bahrain
(38)* Factors Associated with the Birth Weights of Infants in Bahrain.	5 88/89	Bahrain Group B
(39)* Demographic Study in North Muharraq HC. <i>Summaya A.Saleh</i>	4 88/89	Bahrain
(40)* Statistical Study on Chief Complaint of South Khalifa Town, Qatar. <i>A.Rahman Dakheel AlNabti</i>	4 88/89	Qatar
(41)* Demographic Study on Sample of Patient from Issa Town HC. <i>Adel A.Hameed</i>	4 88/89	Bahrain
(42)* A Demographic Survey in UAE.	4 88/89	UAE Boys
(43)* Demographic Survey of AlQadesia Area, AlSharjah, UAE.	3 88/89	UAE Group B
(44)* A Demographic Survey in AlButtein Area.	3 88/89	UAE Group A

Research Projects	Year	Group
(45)* Statistical Study on Reasons for Disliking to Visit The HC for Treatment in North Khalifa Town, Qatar.	5 88/89	Qatar
(46)* Effect of Certain Factors on Birth Weight in Bahrain.	5 88/89	Bahrain Boys
(47)* A Demographic Study on Families of Kintergarden Children.	3 88/89	Saudia Boys
(48)* Demographic Study in AlAseeri Area.	3 88/89	Qatar Girls
(49)* الطب الشعبي في دولة الإمارات العربية المتحدة . <i>Mahdiya Sajwani</i>	4 88/89	UAE
(50)* Study in Budaiya Area.	3 88/89	Bahrain Group B
(51)* Study in Saudi Arabia AlQuiza Area, Jeddah.	3 88/89	Saudia
(52)* Health & Socio-Economic characteristic of Sedab.	3 88/89	Oman
(53)* دراسة لبعض الخصائص الديمغرافية لأسر تلميذات المرحلة الابتدائية في البحرين . <i>Eman AlMeer</i>	3 88/89	Bahrain

<u>Research Projects</u>	<u>Year</u>	<u>Group</u>
(54)* Demographic Study in AlMontaza & AlMansoura Areas, Qatar.	3 89/90	Qatar Girls
(55)* Demographic Study of Madinat Hamad.	3 89/90	Oman
(56)* Demographic Survey Issa Town.	3 89/90	Bahrain Group B
(57)* Demographic Study in East Riffa.	3 89/90	Bahrain Group C
(58)* Urinary Stone in Riyadh & AlBaha Areas.	3 89/90	Saudia
(59)* Incidence of Sickle–Cell Anaemia & Factors Affecting Health Parameters in Newborns in Qatar.	5 89/90	Qatar Girls
(60)* Factors Contributing of Anaemia in Pregnancy.	5 89/90	Kuwait
(61)* Pulmonary Tuberculosis in Oman.	5 89/90	Oman Girls
(62)* Effect of Certain Risk Factors on Pregnancy Outcome Dubai, UAE.	5 89/90	UAE Group A

Research Projects	Year	Group
(63)* Social & Behavioural Characteristics of Drug Addicts & Association of Drug Addiction with Hepatitis B & Abnormal Liver Function Test (LFT).	5 89/90	UAE Group B
(64)* Petello-Femoral Arthralgia.	5 89/90	Bahrain Group B
(65)* العادات الغذائية للامهات اثناء الحمل فى دول الخليج العربي البحرين ، عمان ، السعودية	3 89/90	Girls
(66)* Demographic Study in AlMamorah Area.	3 89/90	UAE Girls
(67)* Demographic study on Family in AlMatar Area.	3 89/90	Qatar Boys
(68)* Demographic Survey in AlRemla Area. and the Normal-Growth of the Children.	3 89/90	UAE Group A
(69)* Social & Demographic of Students' Family in Zing School. <i>Moh'd Ali AlKarni</i>	3 89/90	Saudia
(70)* Demographic Study in Central Muharraq Area.	3 89/90	Bahrain Group A
(71)* Accidents among Bahrain Children <13 Years.	5 89/90	Bahrain Group A
(72)* Obesity among Adolescents in Bahrain.	5 89/90	Bahrain Group C

Research Projects	Year	Group
(73)* A case control study to determine the risk factors of Ischemic Heart Disease in Bahrain. <i>Dr. Sameer Khalfan</i>	5 90/91	Bahrain Group C
(74)* Knowledge & Attitude Towards some Psychiatric Diseases. <i>Prof. Hafiz AlShazali</i>	5 90/91	Bahrain Group B
(75)* A case control study on the Risk Factors Associated with Abortion in Bahrain. <i>Dr. ElFatih ElSamani</i>	5 90/91	Bahrain Group A
(76)* The use of Contraceptive Methods in UAE Population. <i>Drs. Mansour Moh'd, Khaldoon AlRoomi</i>	5 90/91	UAE
(77)* A study on the Clinical Aspects of Malaria in Oman. <i>Dr. A.Rahman Musaiger</i>	5 90/91	Oman
(78)* Prevalence of Diabetes Mellitus among Pregnant Saudi Women. <i>Dr. Khaldoon AlRoomi</i>	5 90/91	Saudia
(79)* الخصائص السكانية وتغذية الطفل في دولة الامارات العربية المتحدة <i>Dr. A.Rahman Musaiger</i>	3 90/91	UAE Girls
(80)* Demographic Survey in UmAlHassam, Bahrain. <i>Dr. Khaldoon AlRoomi</i>	3 90/91	Bahrain Group A
(81)* A Health Survey in Jidhafs, Bahrain. <i>Dr. Khaldoon AlRoomi</i>	3 90/91	Bahrain Group B

Research Projects	Year	Group
(82)* A Health Survey in AlHidd, Bahrain <i>Prof. Hafiz ElShazali</i>	3 90/91	Bahrain Group C
(83)* Demographic Survey in Sitra, Bahrain. <i>Dr. Faisal AlNasir</i>	3 90/91	Bahrain Group D
(84)* Demographic Survey in Arad, Bahrain. <i>Dr. Faisal AlNasir</i>	3 90/91	Bahrain Group E
(85)* دراسة بعض العوامل الديموغرافية وممارسة تغذية الطفل في دولة قطر . <i>Dr. A.Rahman Musaiger</i>	3 90/91	Qatar Group A
(86)* Demographic Study in AlWakrah, Qatar. <i>Dr. Sameer Khalfan</i>	3 90/91	Qatar Group B
(87)* Demographic Study in AlHillal Area, Doha. <i>Dr. Khaldoon AlRoomi</i>	3 90/91	Qatar Group C
(88)* Demographic Study in Sidab Area, Oman. <i>Dr. Mansour Moh'd</i>	3 90/91	Oman
(89)* Urinary Stone in Qatar. <i>Dr. Faisal AlNasir</i>	5 91/92	Qatar Group A
(90)* Risk Factors Associated with Breast Cancer in two Gulf Communities UAE & Bahrain. <i>Dr. Randah Hamadeh</i>	3 91/92	UAE Group A
(91)* Assessment of Antenatal Services in Bahrain. <i>Prof. Hafiz AlShazali</i>	5 91/92	Bahrain Group A

Research Projects	Year	Group
(92)* The Role of Fetal and Maternal Factors. <i>Dr. Sameer Khalfan</i>	5 91/92	UAE Group B
(93)* Community health Strand. A Research on male Infertility in Bahrain. <i>Dr. Mansour M. Mansour</i>	5 91/92	Bahrain Group C
(94)* Breast Feeding and Lactational Amenorrhoea. <i>Dr. A.Rahman Musaiger</i>	5 91/92	Qatar Group B
(95)* Factors Associated with Duodenal among the Bahraini Community Study in a Private Gastroenterology Clinic. <i>Drs. Khaldoon AlRoomi, Najah AlZayani</i>	5 91/92	Bahrain Group B
(96)* A Socio-Demographic study in AlJumiera Area. <i>Dr. Khaldoon AlRoomi</i>	3 91/92	UAE
(97)* Socio-Demographic Survey in Hamad Town, Bahrain. <i>Dr. Faisal AlNasir</i>	3 91/92	Bahrain Group B
(98)* Demographic & Health Survey in Bahrain. <i>Dr. A.Rahman Musaiger</i>	3 91/92	Bahrain Group D
(99)* Demographic Survey in Zinj & Bilad ElQadeem. <i>Prof. Hafiz ElShazali</i>	3 91/92	Bahrain Group E
(100)* Demographic Survey in AlBusaiteen, Bahrain. <i>Dr. Mansour M. Mansour</i>	3 91/92	Bahrain Group F
(101)* Demographic Survey in AlFaiha Health Area. <i>Dr. Randah Hamadeh</i>	3 91/92	Kuwait

Research Projects	Year	Group
(102)* Socio-Demographic Survey in AlMontazah & AlMansoura. <i>Dr. Khaldoon AlRoomi</i>	3 91/92	Qatar Group A
(103)* Demographic Study in AlDefna, Qatar. <i>Dr. Sameer Khalfan</i>	3 91/92	Qatar Group B
(104)* Socio-Demographic Survey in Issa Town, Bahrain. <i>Dr. Randah Hamadeh</i>	3 91/92	Saudi
(105)* Gestational Diabetes. <i>Prof. Hafiz ElShazali</i>	5 92/93	Bahrain Group A
(106)* A Study on Childhood Asthma among School Children Age 6 – 10 Years in Bahrain. <i>Dr. Khaldoon AlRoomi</i>	5 92/93	Bahrain Group B
(107)* Risk Factors of Cerebrovascular Accident in Bahrain. <i>Dr. Randah Hamadeh</i>	5 92/93	Bahrain Group C
(108)* Shock in Bahrain. <i>Dr. Faisal AlNasir</i>	5 92/93	Bahrain Group D
(109)* Risk Factors for Diabetic Retinopathy in Oman. <i>Prof. Ramachandran</i>	5 92/93	Oman
(110)* Iron Deficiency Anaemia in Pregnancy. <i>Dr. Sameer Khalfan</i>	5 92/93	Qatar Group A
(111)* Obesity among Women Attending Health Centres, Qatar. <i>Dr. A.Rahman Musaiger</i>	5 92/93	Qatar Group B

Research Projects	Year	Group
(112)* انحراف الاحداث فى دولة الامارات العربية المتحدة . <i>Dr. Mansour M. Mansour</i>	5 92/93	UAE
(113)* A Socio-Demographic & Health Survey in Zing & Nabeh-Saleh Areas, Bahrain. <i>Dr. Randah Hamadeh</i>	3 92/93	Bahrain Group A
(114)* Demographic & Health Survey in Muharraq Island. <i>Dr. Sameer Khalfan</i>	3 92/93	Bahrain Group B
(115)* A Socio-Demographic Survey in the Northern Region Of Bahrain. <i>Dr. Khaldoon AlRoomi</i>	3 92/93	Bahrain Group C
(116)* Demographic Study in Asker, Jaw, AlDoor, Bahrain. <i>Dr. Faisal AlNasir</i>	3 92/93	Bahrain Group D
(117)* Demographic Study in Salata, Qatar. <i>Prof. Hafiz ElShazali</i>	3 92/93	Qatar Group A
(118)* Demographic & Health Survey in Khalifa Town, Qatar. <i>Dr. Mansour M. Mansour</i>	3 92/93	Qatar Group B
(119)* السمات الاسرية وأثرها على المعاق فى مجتمع الامارات العربية المتحدة . <i>Dr. Khaldoon AlRoomi</i>	5 93/94	UAE
(120)* A Study Done in Salmaniya Medical Centre among Infants During June 92, June 93. <i>Dr. Sameer Khalfan</i>	5 93/94	Bahrain Group A
(121)* Raid Traffic Accidents (RTAs) in Bahrain. <i>Prof. Ramachandran</i>	5 93/94	Bahrain Group B

Research Projects	Year	Group
(122)* Congenital Heart Disease in Bahrain. <i>Dr. Randah Hamadeh</i>	5 93/94	Bahrain Group C
(123)* Profile of Pediatric Cases Attending The Health Centre During June 1993. <i>Dr. Mansour M. Mansour</i>	5 93/94	Bahrain Group D
(124)* Cigarette Smoking and Risk of Developing Cataract in the Bahraini Population. <i>Dr. Khaldoon AlRoomi</i>	5 93/94	Bahrain Group E
(125)* Nosocomial Infection Study Between Two Hospitals in Kuwait, 1993. <i>Dr. Randah Hamadeh</i>	5 93/94	Kuwait Group A
(126)* Epidemiology of Burn in Kuwait Ibn Sina Hospital in 1992. <i>Prof. Ramachandran</i>	5 93/94	Kuwait Group B
(127)* Stroke in Qatar Hamad General Hospital. <i>Dr. Khaldoon AlRoomi</i>	5 93/94	Qatar Group A
(128)* A Retrospective Study of Acute Rheumatic Fever in Bahrain in the Period 1989-1992. <i>Prof. Hafiz ElShazali</i>	5 93/94	Qatar Group B
(129)* Socio-Demographic Structure, Prevalence of Illness & Knowledge, Attitude & Practice in Breast Cancer. <i>Prof. K. Ramachandran</i>	3 93/94	Group I
(130)* Demographic Survey in Amm-AlHassam. <i>Dr. Faisal AlNasir</i>	3 93/94	Group II

Research Projects	Year	Group
(131)* A Socio-Demographic Survey in East Riffa Area, Bahrain. <i>Dr. Randah Hamadeh</i>	3 93/94	Group III
(132)* A Socio-Economic, Demographic & Health Study in a Sample of Patients in Kuwait Health Centre Western Region. In Bahrain. <i>Dr. Mansour M. Mansour</i>	3 93/94	Group IV
(133)* A Study about admitted Sickle Cell Diseased Patients. <i>Dr. Faisal AlNasir</i>	5 94/95	Group (1)
(134)* Helicobacter Pylori & Duodenal Ulcer. <i>Prof. Hafiz ElShazali</i>	5 94/95	Group (2)
(135)* Laproscopy Versus Open Cholecystectomy. <i>Dr. Mansour Mansour</i>	5 94/95	Group (3)
(136)* The Risk Factors of Neonatal Jaundice among Full Term Healthy Babies in Bahrain. <i>Dr. Randah Hamadeh</i>	5 94/96	Group (4)
(137)* Child Nutrition. <i>Prof. K. Ramachandran</i>	5 94/95	Group (5)
(138)* Gestational Diabetes Hamad General Hospital. <i>Dr. Sameer Khalfan</i>	5 94/95	Group (6)
(139)* Cancer in Kuwait. <i>Dr. Khaldoon AlRoomi</i>	5 94/95	Group (7)

Research Projects	Year	Group
(140)* A Socio-Demographic Survey in Budaiya Area, Bahrain. <i>Dr. Khaldoon AlRoomi</i>	3Group (1) 94/95	
(141)* General Demographic Survey and Knowledge about Hypertension in the Population of AlHoora Area in the State of Bahrain. <i>Prof. K. Ramachandran</i>	3Group (2) 94/95	
(142)* A Socio-Demographic and Health. Survey in Sheik Sabah Health Centre, Bahrain. <i>Dr. Randah Hamadeh</i>	3Group (3) 94/95	
(143)* Demographic Survey in AlHelal Area. State of Qatar <i>Dr. Randah Hamadeh</i>	3Group (1) 95/96	
(144)* A Socio-Demographic Survey in AlJabriah Area, Kuwait <i>Dr. Mansour M. Mansour</i>	3Group (2) 95/96	
(145)* A Socio-Demographic Survey in the Northern Region of Moharraq, State of Bahrain. <i>Dr. Khaldoon AlRoomi</i>	3Group (3) 95/96	
(146)* Socio-Demographic and Health Survey in Dair, Samahij and Galalis. <i>Prof. Hafiz AlShazali</i>	3Group (4) 95/96	
(147)* A Socio-Demographic Survey in AlReeqa Area in Sharjah United Arab Emirates. <i>Dr. Sameer Khalfan</i>	3Group (5) 95/96	

Research Projects	Year	Group
(148)* A Socio-Demographic Survey in West and East Riffa'a. <i>Prof. K. Ramachandran</i>	3Group (6) 95/96	
(149)* A Socio-Demographic Survey in AlKhuwair Area, Oman. <i>Dr. Faisal AlNasir</i>	3Group (7) 95/96	
(150)* Socio-Demographic Survey and Illness Distribution in Qatif Town, Saudia. <i>Prof. K. Ramachandran</i>	3Group (8) 95/96	
(151)* Modes of Transmission of HBV in a Sample of Bahrainis. <i>Dr. Sameer Khalfan</i>	5Group (1) 95/96	
(152)* Child Abuse in Bahrain. <i>Dr. Faisal AlNasir</i>	5Group (2) 95/96	
(153)* Types of Contraception Methods Used in Family Planning in Bahrain. <i>Dr. Mansour M. Mansour</i>	5Group (3) 95/96	
(154)* Educational Activities in Physical Therapy Practice: Physiotherapists' Perception and Patients' Views. <i>Dr. Randah Hamadeh</i>	5Group (1) 96/97	
(155)* Reasons for Referring Patients from Primary Health Care Centers to Secondary Care. <i>Prof. K. Ramachandran & Dr. Mohammed Ali Mandil</i>	5Group (2) 96/97	

Research Projects	Year	Group
(156)* Patient Satisfaction with Services in Primary Health Care Centers in Bahrain. <i>Dr. Khaldoon AlRoomi</i>	4Group (1) 96/97	
(157)* Obesity Among 6th Grade Female Students in Hamad Town, Bahrain. <i>Dr. Randah Hamadeh</i>	4Group (2) 96/97	
(158)* Breast Cancer in Kuwait. <i>Dr. Faisal AlNasir</i>	4Group (3) 96/97	
(159)* Compliance in Adult Diabetic Patients Before and During Ramadan in Kuwait. <i>Prof. K. Ramachandran</i>	4Group (4) 96/97	
(160)* The effect of Ramadan Fasting on Life Style and Health Behaviour, in Qatif Region, Saudi Arabia. <i>Dr. Randah Hamadeh</i>	4Group (5) 96/97	
(161)* Knowledge and Practice of Malaria Control Measure in the Sultanate of Oman. <i>Prof. K. Ramachandran</i>	4Group (6) 96/97	
(162)* Research Report Gestational Diabetes Mellitus in Qatar. <i>Prof. Hafiz ElShazali</i>	4Group (7) 96/97	
(163)* Breast Feeding and Weaning Practices in infancy: (A Health Survey in Doha, State of Qatar). <i>Dr. Khaldoon AlRoomi</i>	4Group (8) 96/97	

Research Projects	Year	Group
(164)* Awareness of Antenatal Care in Primary Health Centers in Qatif, Saudi Arabia. <i>Professor Hafiz ElShazali</i>	4Group (1) 98/99	
(165)* People Utilization and Awareness of Primary Health Care in UAE. <i>Dr. Faisal AlNasir</i>	4Group (2) 98/99	
(166)* Awareness and Utilization of Maternal Care in Rumalithya Health Center by Kuwaiti Pregnant Women. (Hawali Region - Kuwait) <i>Prof. K. Ramachandran, Dr. Awatif AlMannai</i>	4Group (3) 98/99	
(167)* Prenatal Care Utilization, Awareness, and Postnatal Care Use Among Omani Women. <i>Prof. Neil Grant, Dr. Faisal Al-Mahroos</i>	4Group (4) 98/99	
(168)* Visitor's Awareness and Utilization of Services at Khalifa Health Center, Qatar. <i>Dr. Randah Hamadeh</i>	4Group (5) 98/99	
(169)* Awareness & Utilization of Primary Health Care Services in Doha, Qatar. <i>Dr. Randah Hamadeh</i>	4Group (6) 98/99	
(170)* Patients' Awareness and Utilization of Primary Health Care Services in Bahrain. <i>Dr. Khaldoon AlRoomi</i>	4Group (7) 98/99	
(171)* Utilization of Primary Health Services in Bahrain. <i>Dr. Khaldoon AlRoomi</i>	4 Group (8) 98/99	

Research Projects	Year	Group
--------------------------	-------------	--------------

(172)* Perception of Adults Towards The Elderly. <i>Dr. Jamal AlSayyad</i>	4 99/00	Saudi Male (I)
(173)* The Perception of Bahraini Adult Males Citizens Toward Elderly. <i>Dr. Awatif AlMannai</i>	4 99/00	Bahrain Male (II)
(174)* Perception of Adult Toward The Elderly. <i>Dr. Faisal AlMahroos</i>	4 99/00	Saudi Female (III)
(175)* Perception to Elderly in Qatar. <i>Dr. A.Rahman Musaiger</i>	4 99/00	Qatar Female (IV)
(176)* Perception of Qatari Adult Citizen Toward Elderly. <i>Dr. Awatif AlMannai</i>	4 99/00	Qatar Female (V)
(177)* Perception To Elderly in Kuwait. <i>Dr. A.Rahman Musaiger</i>	4 99/00	Kuwait Female (VI)
(178)* Perception of Bahraini Adult Towards Elderly. <i>Dr. Faisal AlMahroos</i>	4 99/00	Bahrain Female (VII)
(179)* Perception of Bahraini Adults Towards Elderly. <i>Dr. Fawzi Ameen</i>	4 99/00	Bahrain Female (VIII)

(180)* Knowledge & Attitudes Regarding; The common hereditary blood disease. <i>Dr. Faisal AlMahroos</i>	4 2000	Bahrain II
(181)* Beliefs and Practices of Emirate women toward family planning in the U.A.E. <i>Dr. A.Rahman Musaiger</i>	4 2001	UAE
(182)* People's Awareness & Attitudes Toward Risk Factors Involved in Motor Vehicle Accident. <i>Dr. Faisal AlMahroos</i>	4 2001	Bahrain I
(183)* How Do Kuwaiti Adults Perceive; Psychiatric Patients and Illness In Kuwait. <i>Dr. Jamal AlSayyad</i>	4 2001	Kuwait
(184)* Assessment Of Knowledge & Attitudes of High School Student in Qatif Area Toward Sickle Cell Disease. <i>Dr. Faisal AlMahroos</i>	4 2001	Saudi
(185)* Traditional Medicine In Oman. <i>Dr. A.Rahman Musaiger</i>	4 2001	Oman
(186)* Knowledge & Attitudes Regarding; Pre.Marital Counselling in Bahrain. <i>Dr. Fawzi Ameen</i>	4 2001	Qatar

Research Projects	Year	Group
(187)* Social of Health Insurance in United Arab Emirate view of providers and users. <i>Dr. Fawzi Ameen</i>	4 01/02	UAE
(188)* Do Bahraini patients trust their local physicians? <i>Dr. Faisal AlMahroos.</i>	4 01/02	Bahrain A
(189)* Knowledge and attitudes of Bahraini premenopausal women toward menopause. <i>Dr. A.Rahman Musaiger</i>	4 01/02	Bahrain B
(190)* Socio-demographic & Health Determinants of Family Size in Kuwait. <i>Dr. Randah Hamadeh, Dr. Khaldoon AlRoomi</i>	4 01/02	Kuwait A
(191)* Awareness of diabetic patients in Kuwait & K.S.A. of their disease. <i>Dr. Jamal AlSayyad</i>	4 01/02	Kuwait B
(192)* Dental Hygiene practices among Saudi adolescent girls. <i>Dr. A.Rahman Musaiger</i>	4 01/02	Saudi
(193)* Electronic patients data registration system in the Sultanate of Oman (EPDRS). <i>Dr. Jamal AlSayyad</i>	4 01/02	Oman
(194)* Attitudes towards healthy diet exercise among patients attending health Center in Qatar. <i>Dr. Faisal AlMahroos</i>	4 01/02	Qatar
(195)* Attitudes of Society Toward Psychiatric Disorders in the UAE. <i>Dr. A.Rahman Musaiger</i>	4 02/03	UAE
(196)*		

Knowledge of and Attitude Towards Mental Illness Among Bahraini Public. <i>Dr. Randah Hamadeh</i>	4 02/03	Bahrain A
(197)* Knowledge & Awareness about SARS Among Nurses & General Public in Primary Health Centres, Bahrain. <i>Dr. Khaldoon AlRoomi</i>	4 02/03	Bahrain B
(198)* Knowledge & Attitudes of Kuwaitis Towards Alternative Medicine. <i>Dr. Fawzi Ameen</i>	4 02/03	Kuwait A
(199)* Why Do People Seek Private Health Care Sector? <i>Dr. Jamal AlSayyad</i>	4 02/03	Kuwait B
(200)* Awareness of Male Teachers about Cardiovascular Disease And its Risk Factors. <i>Dr. Faisal AlMahroos</i>	4 02/03	Kuwait C

Research Projects	Year	Group
(201)* Perception &. Attitude of Saudi Female Teachers Towards Cardiovascular Disease & Their Risk Factors. <i>Dr. Faisal AlMahroos</i>	4 02/03	Saudi A
(202)* Job Satisfaction among Saudi Physicians. <i>Dr. Fawzi Ameen</i>	4 02/03	Saudi B
(203)* Why Do People Seek Private Care? <i>Dr. Jamal AlSayyad</i>	4 02/03	Oman
(204)* Knowledge & Attitudes Toward Plastic Surgery in Qatari Community. <i>Dr. A.Rahman Musaiger</i>	4 02/03	Qatar A/B
(205)* Complementary & Alternative Medicine <i>Dr. Qasim AlShboul/Dr. Khaldoon AlRoomi</i>	4 03/04	UAE
(206)* Knowledge & Attitude of Bahraini Primary Health Care Patients with Hypertension towards their Disease <i>Dr. Faisal AlMahroos</i>	4 03/04	Bahrain A
(207)* Dietary Habits among Bahraini Adults <i>Dr. A.Rahman Musaiger</i>	4 03/04	Bahrain B
(208)* Characteristics of Accident & Emergency Attendants Assessed by Triage. <i>Dr. Fawzi Ameen</i>	4 03/04	Bahrain C
